

> illustrator tutorial

> objective(s):

Students will watch and follow LinkedIn Learning's video tutorial series on how to effectively use Illustrator CC.

> specifications:

note: you are not submitting any files for this tutorial; use files provided in Exercise Files folder

> procedure:

STEP ONE: access video tutorial series

- open How to Access LinkedIn Learning.pdf
- carefully follow the step by step instructions
 - select *Illustrator 2021 Essential Training* by Tony Harmer

STEP TWO: complete the video tutorial series

- **IMPORTANT!** see page 2 for the list of which specific videos to skip
- use the exercise files shown in the videos or create your own artwork to follow along
 - go to the Exercise Files folder and select files designated in each video

STEP THREE: submit statement of completion

- select the following statement and copy (Ctrl + C)
 - "I have successfully watched and completed the Illustrator video tutorial series. I can effectively use each of the tools, techniques and features listed in the lesson plan. I understand that if I ever have any questions or need to refresh my memory about anything, I will refer back to this video."
- open assignment in Schoology
- select Submit Assignment
- select Create
- paste statement in text field and select Submit

> illustrator tutorial

- complete all videos in the Illustrator 2021 Essentials video tutorial series except those listed below
